VIOLATION: League schedule games will be forfeited. Only the Zone Commissioner or Baseball Director may make an exception.
31. **Suspended Games:** In the case of a regulation game being suspended due to darkness, weather, etc. the game will resume at the point of interruption, at the next scheduled meeting of the teams involved. If the

suspended game is the last scheduled meeting of the season, the game will resume at the point of interruption on the next available for both teams. See Triumph Book, *Official Baseball Rules, rule 4.10*.

Suspended games are permitted. Suspended games will resume from the point of suspension at the next scheduled meeting of the teams involved. In the event the suspended game was the last scheduled meeting of the teams involved, the game will resume at the earliest date possible. (Note: it is conceivable the suspended game could be played on the same day as, and prior to, a regular season game between one of the teams involved in the suspended game and another team.

When only one umpire is available the visiting team will wait thirty (30) minutes after the scheduled start time for another umpire. Twilight games after July 4 played on fields with no lights will necessitate a fifteen (15) minute wait period. Only by mutual consent of both managers and the umpire will a game be played with only one umpire.

- 34.** If a player is found or known to be ineligible, he shall be immediately disqualified. All games in which the disqualified player participated in shall be forfeited. (National Rule 6.C)

- 36.** All disputes concerning eligibility will be referred to the Department Baseball Director and the Baseball Committee who will take immediate action as outlined in the Department and National Rules. The findings of the Protest Board will be final. A \$50 check payable to, 'Department of Maine American Legion', must be filed with the paperwork. If the protest is upheld the check will be returned to the claimant.
- 39.** The Baseball Committee is the final authority to interpret all State rules necessary for the good of the program. The Department Baseball Committee will be composed of the Director, Baseball Advisor, Field Director, and one Commissioner from each zone and the Junior Legion Director.

Conduct

- 40. Comments derogatory to the American Legion Baseball Program or Officials will not be tolerated.
- 41.** Any manager, coach, player, other team personnel or official pushing, hitting or manhandling any player, coach, manager, other team personnel or official will be suspended for three (3) games immediately by the Department Baseball Director. (Only by him and more if warranted) Any player fighting or any player entering a fight will automatically receive a five (5) game suspension for the first offense. The second offense in the same season will result in suspension for the duration of the season and tournament play. Should anyone be hospitalized, an indefinite suspension for those involved will be considered.
- 42.** Vulgar language or obscene gestures by managers, players, coaches, other team personnel or fans near the bench or dugout will not be tolerated. Any player, manager, coach or other team personnel ejected by the umpire will leave the complete playing area within three (3) minutes or forfeit the game. Any ejected player, coach, manager or other team personnel will automatically be ineligible to play or participate in a Junior or Senior American Legion game until he or she has served their suspension in the Division from which they were ejected. Any player, manager, coach or other team personnel ejected from a game is automatically suspended from the next scheduled game.

The team manager or coach must report by phone to the Zone Commissioner any incident resulting in an ejection immediately following the conclusion of the game. Failure to report the incident regarding ejected persons will continue the suspension until a report is made. Any game in which an ejected or suspended player, manager, coach or other team personnel participates will be forfeited for using Ineligible Personnel. The Zone Commissioner will check with both managers and umpires concerning the violation. He will submit a written report with forty-eight (48) hours along with his recommendations to the Field Director. The Field Director will notify the Department Baseball Director on actions he recommends to be taken.

Any player, manager, coach or other team personnel ejected by an umpire must leave the ballpark.

Suspended players, managers, coaches or other team personnel are not allowed at the ballpark during their suspension.

Administration

- 44.** Dept. of Maine, American Legion Baseball is made up of three (3) Zones administered by the following Zone Commissioners: Zone 1- Mr. David Paul; Zone 2 – Mr. David Rollins; Zone 3 – .

- 45.** All Zone issues or problems will go first to the Zone Commissioners, then to the Field Director before going to the Department Baseball Director for final disposition.
- 46.** Commissioners will approve their Zone schedules no later than **May 15, 2019**. Subsequent changes made to game days that are to take effect within a seven day period may be made by mutual agreement. Changes made to either game start times or to game days that are to take effect after seven days of the change must be approved by the Zone Commissioner. The home team must always inform the Zone Commissioner of any change to the printed schedule. A fifteen minute grace period is extended to all game start times. Any irreconcilable conflicts in scheduling will be decided by the Zone Commissioner after he confers with both teams.
- 47.** If at the end of the regular season a tie(s) exists, the Zone commissioner shall resolve it using the following methods: 1) a single seven (7) inning game will be played on a neutral field or a site agreed upon by both managers; [No play-off game will be scheduled later than three (3) days prior to the start of the start tournament.] 2) the won/loss records of the teams involved in head to head competition will be used; 3) the regular season wins will be assigned a point value based on the success of the team that is defeated (i.e. Team A has a season ending record of 15-9, any win recorded against that team would result in 15 points. Team B has a season ending record of 4-20, any win recorded against that team would result in 4 points, etc.) therefore the higher composite total will break the tie; 4) a coin flip between the team managers by the Zone Commissioner.

48. The Department closing date to submit paperwork or rosters to the Zone Commissioners will be before the first game. Mandatory paperwork shall include; player roster, copy of birth certificates and copies of Form 2's. The player or players concerned will be given a choice of taking a drug test or being indefinitely suspended from playing American Legion baseball by the Department Baseball Director. If the subject(s) is/are suspended, the only way to be reinstated to play again is to be undergoing a recognized substance abuse rehabilitation program.

50. When a struggle exists for the control of an American Legion Baseball Team which threatens to disband the team, the State Baseball Committee has the authority to appoint a person or persons to control that team. The Committee must consider the recommendation of the Zone Commissioner in these matters and may require a hearing of the parties involved and/or written statements from the people seeking control.

51. The State Baseball Director and the State Baseball Committee has the authority to suspend any person with criminal convictions or defiance of American Legion Baseball Rules.
