

## Why We Ride

The American Legion Riders promote the Four Pillars of the American Legion worldwide.

- **Veterans Affairs & Rehabilitation**

Programs, services and advocacy efforts that improve the lives of veterans and their families.

- **National Security**

Our long-held American Legion value that the key to peace and world stability is a strong, well resourced defense.

- **Americanism**

The Legion is the foremost authority on the U.S. Flag display, education and the protection. Riders celebrate Americanism through active participation in patriotic observances.

- **Children & Youth**

The main objectives are strengthening the family unit; supporting quality organizations that serve children; and providing communities with well rounded programs for young people. Riders give hope to youth facing difficult challenges.

## Join Us

*Membership is open to all active members of The American Legion, The American Legion Auxiliary, The Sons of the American Legion, including those on active federal military service in the armed forces of the United States. Members must own and ride motorcycles and maintain active membership within The American Legion.*

## RIDING TO SUPPORT VETERANS AND ASSIST CHARITIES

**M**ore than 1,250 American Legion Rider Chapters, ride in support of America's future. Legion Riders help to maintain American Legion programs in every state and in several countries overseas. One of the fastest growing and most highly visible of the many activities offered by The American Legion, the Legion Riders ride for the community, state and nation.

**The American Legion Riders have raised over 3.5 million dollars for the American Legion Legacy Fund.**

The Riders are among the most generous and creative supporters of the American Legion Legacy Fund. Average amounts raised by Riders are approaching \$750,000 annually. Every penny is used for college scholarships for the children of fallen servicemen and women.

Riders participate in many functions including supporting needs in their communities, fundraisers for homeless veterans, for local charitable organizations such as children's hospitals, cancer camps scholarships, and toy runs for children of war casualties and the needy.

Riders provide escorts for military flights carrying our servicemen and women home to their families and loved ones as well as honoring them at their time of deployment.

American Legion Riders Honor Guards and ceremonial teams protect and honor the sanctity of veterans funerals, stand flag lines at memorial services and carry on the special bonds of the military service.
