2020
The American Legion
Department of Maine
Announces
The 73rd Annual
Dirigo Boys State

www.dirigoboysstate.com

June 21-25, 2020
Thomas College
180 West River Rd.
Waterville, Me. 04901
FORWARD:
The American Legion, Department of Maine, believes there is no better way to assure the survival of our republic and state than to train our young people in the ideals and objectives of American Government. By teaching youth to understand and appreciate the basic principals involved in the successful management of a democratic society, America can remain strong and ensure our freedom for future generations.

The American Legion, through its youth activities programs, plays a leading role in the development of tomorrow’s informed, responsible citizens. Programs such as the American Legion Boys State and Boys Nation are our finest examples of citizenship instruction for youth. American Legion Boys State is a unique summertime educational program that does not emphasize classroom lecture and textbook learning. Instead, it focuses on participation and personal experience in a model state, complete with governing bodies and elected public officials. It is designed to mirror the structure and operation of the State of Maine.

PURPOSE:
The purpose of Boys State is to provide Maine high school juniors with the opportunity to participate in a program that supplements their high school courses in government and its functions. In this program young men role-play as they learn to campaign for local, county and state offices and then organize and carry out the functions of the state government.

SPONSORS:
The American Legion, Department of Maine sponsors the Boys State program and encourages all other groups and organizations to join in promoting the program through sponsorship of candidates.

Sponsors of Boys State delegates are traditionally veterans’ organizations, financial institutions, businesses, patriotic, civic, fraternal, labor, student, parent, teacher or religious groups. It is acceptable for a Boy Stater to be co-sponsored by more than one sponsor.

Last year 200 high school juniors attended this outstanding program, but we are attempting to expand that number. Whatever you can do to assist in this effort will be appreciated. There is no limit to the number of boys a school may send.

INSTRUCTORS:
Every effort is made to provide qualified instructors for this program. These include town and city managers, town selectmen, judges, attorneys, members of the Maine House of Representatives and Maine Senate, teachers, guidance counselors and others familiar with local, county and state government.

SCHOLARSHIPS:
Three scholarships will be offered this year. Two of the scholarships are for $500 from The American Legion, Dept. of Maine. The third is the Samsung Scholarship offered through our National HQ for $1250 (please visit www.legion.org/scholarships/samsung). Additional scholarships from the Alumni Association will be offered year to year depending upon funding.

BAND:
Annually, Boys State has a 40-50 piece pep band under the supervision of a qualified musical director. School principals are asked to recommend band members. Band members must bring their own instrument to the program. A space is provided for this on the application. The Band Application will be included in the Boys State packet that’s sent out to each delegate upon selection or can be obtained online by visiting www.mainelegion.org or www.dirigoboysstate.com. Band members only are to arrive at Thomas College on Sat., June 20 at 2:00 p.m.

SELECTION PROCESS:
Any junior, who is interested in learning about town and state government, qualifies for Boys State. Information pertaining to the program should be made available for all boys in the junior class; giving students at all scholastic levels the chance to apply. Priority should be given to attitude versus scholastic achievement, although both qualities are desirable. Involvement, interest and participation should be the main focus during the selection process. All applicants chosen should be informed that they are being recommended to the local American Legion Post and each individual should commit to attending prior to an application being submitted.

ATTENDANCE POLICY:
Due to the intensity of the program, late arrivals, early departures and any request for a delegate to be released temporarily and returning on the same day will be handled on a case by case basis with the Boys State Director and will be supported by the parent(s) of the delegate. Therefore, all delegates should be prepared to arrive on time and stay for the duration of the program.

CANCELLATION:
In previous years several boys have failed to notify us that they could not or would not attend Boys State. This causes many problems within the program as well as wasting the tuition money of a sponsor. We do hope that the boys selected this year will give some assurance to their high school officials that they will attend. If there is a cancellation and another boy is available from the list of eligible boys at the school, principals may write a letter to accompany a replacement stating that fact and the name of the boy he is replacing. This can even be done as late as the first day of the program, if necessary.

TIME AND PLACE: The 2020 session of Dirigo Boys State will be held at Thomas College, 180 West River Rd., Waterville, Me. Visit www.thomas.edu for directions or for those without a computer: From Interstate 95, turn off at Exit 127 (formerly 33) onto Kennedy Memorial Drive (Route 137). If you are coming from the North, it is a left turn off the exit and a right turn if you are coming form the South). In approximately 1.5 miles, turn right onto West River Rd. (Route 104 South). Thomas College is 1.5 miles on the left.

Registration will be 2:00 p.m.
Graduation will be 3:30 p.m.
Parents are invited! The American Legion
