

New MyLegion.org Instructions/Information for Membership Processing, Group Permissions & More!

ow that the myLegion site is live, all accounts are now MEMBER accounts. This includes Legion and SAL members. The first requirement to access post and squadron data is to create a myLegion member account using the email address on your membership record. The new myLegion Home page will look like the image above. It provides links to your subscriptions, discounts and resources. MY ACCOUNT provides more information about your own membership. Please see enclosed material to learn more, or visit <u>www.mainelegion.org</u>. The information is available on the home page or by clicking NEWS & EVENTS located on the menu bar.

New MyLegion.org is live!

The American Legion APR 01, 2021

The wait is over.

The newly designed MyLegion.org and user-friendly interface improvements are here.

Registered users of the free and secure website MyLegion.org – American Legion members, Sons of The American Legion members, and post, district and department officers – will see new membership and account enhancements.

TO START

• No sharing of credentials. Administrative officers no longer have to share login credentials. You can assign a group administrator access using their own MyLegion.org credentials.

• One user profile. Each registered user will have one profile. Once logged in, you will have access to your personal membership data in MY ACCOUNT. District/county/post/detachment/squadron officers will see additional officer tools under MY GROUPs to manage membership, and have full access to electronic rosters.

- If a member holds two or more titles (e.g., post adjutant and district commander) there are no more multiple logins. You may have additional groups within your account based on the office(s) you hold, and permissions assigned by administrators.

• **Membership roster access.** Adjutants and commanders alike will have access to the membership rosters.

• Access granted to membership roster. Other officers/individuals can be granted access to the membership roster by the adjutant or commander.

• **MyLegion.org is now for SAL members.** MyLegion.org is now for Sons of The American Legion members. This means that mySAL.org goes away and squadron members log in through MyLegion.org.

- If you have both a MyLegion.org and MySAL.org account, your MyLegion.org account will be your only login now. Your SAL information will be included in your member profile.

• Administrative access. Post commanders and adjutants will be assigned administrative access automatically on April 1.

YOUR QUESTIONS ANSWERED

MyLegion.org member-only account answers – **see pg. 5**, or visit: <u>https://www.legion.org/documents/pdf/MyLegion_memberaccounts.faq.pdf</u>

MyLegion.org administration officer answers – **see pgs. 6-7**, or visit <u>https://www.legion.org/documents/pdf/MyLegion_MyGroups_faq.pdf</u>

Here are a few examples

Q: If we were previously doing transmittals on the old MyLegion.org system, do we have to resubmit our account information?

A: Yes. You will be asked for a one-time setup for bank account when you first access MyLegion.org after April 1, 2021. This will include your post/squadron banking information, which may be saved in your account.

Q: We are entering new elections. How are you able to monitor administrative access after these elections and the change in officer positions?

A: MyLegion.org provides tools that allow your departments to update officer data quickly. Access will be reassigned as updates are entered, so providing that post data to your department headquarters is essential.

Q: If you are a new district commander, do you still have to submit a form to National to be able to have MyLegion.org access?

A: Request forms are no longer necessary. When you create a member account, you will have access based on your assigned office(s) on file.

Q: As post adjutant I have been handing all the dues for both our post and squadron. Will I still be able to do this?

A: Yes, you can be assigned both administrative roles.

TRAINING ON THE NEW MYLEGION.ORG

American Legion National Headquarters staff conducted training on March 30, on how to register a MyLegion.org account, navigate through an individual account, and manage My Groups. Visit <u>https://www.legion.org/training/training-tuesdays</u> for the PowerPoint slides and video presentation. Presentation material (including print notes with slides) is also enclosed with this packet starting on page 12.

COMING SOON

Training videos on how to use the new system are available on MyLegion.org. These videos share how to:

- 1. Get started on MyLegion.org
- 2. Manage your MyLegion.org account

3. Manage GROUPS in MyLegion.org (e.g., assign administrative permissions, email members of your group)

4. Process membership – online membership processing for posts and squadrons (renew, add, & transfer members)

5. Manage group membership (create roster and reports; edit member profiles; and global member search)

See pages 8-11 of this manual for step by step instructions using the new MyLegion.org for processing membership, group permissions, transmittals and more.

REMINDER

If you completed the single sign MyLegion.org registration as of Jan. 1, 2021, you will not have to reregister once logging in April 1.

If April 1 is your first time to log in to the new MyLegion.org system, here is what you need to do.

• If you have not updated your personal account since Jan. 1, 2021, you will need to create a new account.

• Registration for your new account on the system will be achieved using the email address on your membership record. The email address must be present on your membership record to access district/county/post/squadron rosters online.

• Double check your current membership record to make sure an email address is populated by logging on to the MEMBERS SECTION at MyLegion.org. If you are a MySAL.org user, log into your squadron account and make sure your email address is up to date.

FORGOT YOUR PASSWORD?

MyLegion.org requires an email address and password for access. If you re-registered your MyLegion.org as of Jan. 1, 2021, but forgot your password, here is how to retrieve it.

1. In the MyLegion.org login/register window select "Forgot Password"

2. Enter your username and "Submit". A confirmation window will appear to check your email to reset your password.

3. Open your email and click on the link to reset your password. This email is from American Legion Identity Provider.

4. Reset your password. Enter new password and confirm password. Click "Reset."

5. Password has been successfully updated message appears.

CONTACT

For questions or issues on MyLegion.org, email <u>CS2@legion.org</u> or <u>mylegion@legion.org</u> or call 833-253-9995. You may also contact your state HQ at 207-873-3229 | Email: legionme@mainelegion.org.

MyLegion.org Individual Member Q&A

Question: How do you register for a MyLegion.org account?

Answer: Go to MyLegion.org. Go to login and select to register for a new account. You will be walked through the process.

Question: If I completed the single sign on, will I have to re-register?

Answer: As long as you've had an account in use since January 1, 2021, you will be able to log in without re-registering.

Question: If a member has already set up auto renew will they have to do it again under this system?

Answer: Those having a credit card on file for auto-renewal should experience a seamless transition.

Question: Will my MyLegion.org profile list officer positions held (if any) in post, district, department and National?

Answer: Yes, any office you hold will be listed on your membership account.

Question: I am a dual member with MyLegion.org and MySAL.org accounts. Will this change? Answer: Yes, your MyLegion.org account will be your only login now, with your SAL information included on your member profile.

Question: Does the individual lose access to the account if their dues are not current?

Answer: They will not lose access to the account, but their membership will show as expired and they will lose access to member benefits until they renew.

Question: Is there a way to stop certain mailings or solicitations?

Answer: There are opt-out capabilities within the member profile.

Question: Is there a plan for Riders to be integrated as well?

Answer: Riders are members of the Legion Family so they can register accounts on MyLegion.org if they are Legion or Sons member. We are having conversations on how to best identify them.

Question: Will American Legion Auxiliary members be able to register on MyLegion.org? Answer: No, American Legion Auxiliary is a separate organization and maintain their own membership database.

MyLegion.org – My Groups (officer administration) Frequently Asked Questions

Question: Why is MyLegion.org changing?

Answer: The MyLegion.org platform is currently powered by an outdated network which The American Legion is replacing. The MyLegion.org look is changing because the of the new network configuration. We are working to ensure the capabilities you need most will be available along with some enhancements.

Question: If we were previously doing transmittals on the old system, will we have to re-input the account information in new system?

Answer: Yes. You will be asked for a one-time setup for bank account when you first access MyLegion.org after April 1, 2021. This will include your post/squadron banking information, which may be saved in your account.

Question: What is the "group profile"?

Answer: Group Profile is the administrative side of MyLegion.org. The new MyLegion.org site will have familiar features available in the left hand "My Views" menu.

Question: Are post adjutants and commanders the only ones allowed to be group administrators?

Answer: Many posts and squadrons have situations occur when the group administrative officer is not the person maintaining membership. The Administrative Officer can assign a member of their group permission to access group profile. Only members of the group can be provided permission.

Question: Will district leaders have the same access with the updated design?

Answer: Yes, all accesses should work the same. District and county leadership access includes membership rosters and reports and do not have member management (edit) or online membership processing.

Question: Will the rules for sending transmittals change?

Answer: No, posts and squadrons are encouraged to transmit memberships as soon as possible just as before. The screens may look slightly different, but the process and payment methods are the same.

Question: Can transfers be included in transmittals?

Answer: In addition to renewing and adding members, online processing includes transferring members as long as the member renews in the same transaction.

Question: How will membership cards be printed?

Answer: Membership cards will still be distributed by National Headquarters, and members can print their own cards through MyLegion.org.

Question: If a member renews online, how does the post/squadron get the money?

Answer: This business practice remains the same. National will send post dues to the department to distribute.

Question: Do we still have to send member data forms for transfer?

Answer: If the member is not paying at the time of transfer, a member data form will still need to be submitted.

Question: As district adjutant, will I be able to look up post reports and transmittals in my district group?

Answer: Current reports will remain the same. The reports section is still in development. If you do not have access to a report previously available, contact <u>MyLegion@legion.org</u> or <u>CS2@legion.org</u>

Question: If a member holds two or more titles (e.g., post adjutant and district commander) will more than one account log in be required?

Answer: There are no more multiple logins. You may have additional groups within your account based on the office(s) you hold, and permissions assigned by administrators.

Question: Will rosters still be sent to each post?

Answer: Traditional paper (green bar) rosters will be mailed for 2022. Current rosters can be created at any time through MyLegion.org by both the adjutant and commander.

Question: Will National Headquarters send members a renewal notice for the new 2022 year? Answer: Membership cards and renewal notice schedules for 2022 remain the same.

Question: We are entering the election season. How are you able to effectively monitor administrative access after these elections and the change in officer positions?

Answer: MyLegion.org provides tools that allow your departments to update officer data quickly. Access will be reassigned as updates are entered, so providing that post data to your department headquarters is essential.

Question: If you are a new district commander, do you still have to submit a form to national to be able to have access?

Answer: Request forms are no longer necessary. When you create a member account, you will have access based on your assigned office(s) on file.

Question: As post adjutant I have been handing all the dues for both our post and squadron. Will I still be able to do this?

Answer: Yes, you can be assigned both administrative roles.

NEW MYLEGION.ORG MEMBERSHIP PROCESSING/GROUP PERMISSION INSTRUCTIONS

ASSIGN GROUP PERMISSION

Home > My Views>Assign Group Permissions

- 1. From your My Account page, enter My Groups to access Group Profile
- 2. Go to "View Members"
- 3. Search the member to assign permission and click on their name to open member profile.
- 4. From the member's profile, select "Assign Group Permissions" from left MY VIEWS panel.
- 5. Select "Edit" in Management Settings
- 6. Check permissions to grant and "Save"
 - i. <u>Online Group Manager</u> This is the minimum permission requirement. It provides access to export and print electronic membership roster and a quick link to member email addresses. It does not give access to additional member information not listed on the roster to view or edit.
 - ii. <u>Edit Individual Profile</u> Grants access to the post roster and authority to view and manage member information.
 - iii. <u>Edit Group Profile</u>- Provides roster, membership management and access to administrative membership reports, labels, CPR, CSR, online membership processing and officer materials.
 - iv. <u>Register or Order for a Group</u>–Not recommended. This authority will be used in future enhancements and does not provide any access at this time.
 - v. <u>Identify Group Manger</u> Not recommended. This permission allows the group administrator to assign group permissions to someone other than the adjutant or commander.

TRAINING REQUESTS

The Training White Paper project was presented at the Spring & Fall meetings (2017), which resulted in the creation of the 21st Century Committee that defines our training methods. In summary, the leadership decided National should provide materials online for departments, districts and posts to conduct their own local trainings as much as possible.

Respond to myLegion Training Requests using the text below.

National will provide materials online for departments, districts and posts to conduct their local trainings as much as possible.

Online training sessions, accompanying PowerPoints and Q&A summaries are available at https://www.legion.org/training/training-tuesdays for download and to use at the local level. If these do not meet your need, contact National Member Engagement & Training Coordinator at legiontraining@legion.org.

- 2. Go to "View Members" from the left MY VIEWS menu.
 - i. Search using search options.
 - ii. Select Member's Name to open more information.
 - iii. Select Member's Email to open an email from your provider.

In April 2021, myLegion will have a new design.

The remainder of this presentation will serve as a preview of the new myLegion site, how to access post and squadron membership rosters, view and edit member records and process membership online.

We will also demonstrate how administrative officers can provide permissions to allow others online membership tools.

When the new myLegion site goes live, all accounts are MEMBER accounts. This includes Legion and SAL members. The first requirement to access post and squadron data is to create a myLegion member account using the email address on your membership record. The new myLegion Home page will look like this. It provides links to your subscriptions, discounts and resources. MY ACCOUNT provides more information about your own membership.

To access rosters and online membership tools you first go to my Account.

The membership roster displays as a listing and is identified as Members in your Group Profile. (zoom into breadcrumbs)

Your membership roster includes members paid for the current membership year, minus 2. To print, export or send the roster, use the Actions pulldown. After selecting the Action click Go to proceed.

To print the roster, first select the records to print using the check boxes in the left column. Select all records by clicking the checkbox in the title row, Member ID#. From the Actions pulldown, choose "Print Roster". and "GO". This produces a PDF document.

Many posts and squadrons have situations occur when the group administrative officer is not the person maintaining membership. The Administrative Officer can assign a member of their group permission to access Group Profile. Only members of the group can be provided permission.

In the member profile select "Assign Group Permissions".

These permissions provide access to membership information, reports, and tools currently available to the Administrative Officer.

Check the following:

Online Group Manager. This is the minimum permission requirement. It provides access to <u>export and print electronic membership roster</u> and a <u>quick link to member</u> <u>email addresses</u>.

Edit Individual Profile grants authority to view and edit member records.

Edit Group Profile provides access to online membership tools in View Members – Members Renewed Online – Registered Members – Global Member Search -Reports/Labels – Process Membership. Consolidated Post Report – and Officer Materials.

After the desired management settings are assigned, Save them and the permission will be assigned to the members myLegion account.

There are a few additional group permissions that are focused on future enhancements.

Register or Order for a Group provides permission to make purchases, donations and register events on behalf of the group with the credit card saved on the account. This permission is for future enhancements purposes only.

The last setting to check is Identify Group Manager. This permission provides this member to add or edit other online group managers with full administrative rights. If you do not want this member to make group permissions do not check this box.

Permissions added will display. The next time the member logs into their myLegion account, that member will have access to the Group and only that group.

For example, this Legion member has been assigned post access but does not get group selections for squadron or Leadership.

If the member does not have a current myLegion account, an email will be sent that includes a link to create Login Credentials. Notify the member and have them open their email, follow the link and create an account.

If the link expires the member can go to myLegion.org and Register.

To return to Post membership select My Groups. The My Account button will return you to your personal membership and exits Group Profile.

Online membership processing will also have familiar business practices. Let's review how to submit an online transmittal for the Post. Sons of the American Legion processing is the same when in the Squadron group.

To create or edit a transmittal, click Add/Modify Transmittal from the member listing to access the transmittal page.

In the Process Membership area, a post transmittal will display with a summary that includes transmittal status, number of cards, and per capita allocations. The total amount will include national and department only.

Online membership processing allows renewals for the current and previous membership year, add new members, and transfer members renewing at the time of the transfer.

Members of your post can be added to the transmittal by checking the box next to their name. This example has one card to be processed. The member to be renewed has a check in the checkbox. The total amount due equals the department and national per capita only.

Search boxes allows you to search a specific member without navigating through the list.

To change the way the list is sorted, click on the blue labels. Go from an alphabetically sort to a list that is sorted by membership number or even by membership year.

The transmittal page allows you to renew members, add new

Members and Transfer Members into your post. Please note that online transfers can only be included if the member is also renewing current dues.

The Save button allows you to save the transmittal and finalize on a later date. Transmittals are to be finalized within 14 days. Members pay their dues with the expectation they will be removed from future renewal notices, receive their membership card in a timely manner, and receive their magazine. When posts do not transmit in the allotted time frame, they run the risk of upsetting their members and making them not want to belong to the Legion.

Open transmittals not submitted in 14 days will receive a reminder to submit and are deleted if no action is taken.

To view or print the transmittal, use the view/print icons. List Selected allows you to view all the members in the transmittal, you can export the data to an excel file, or print directly to PDF.

Let's add a new member to the transmittal using the Add New Member button.
