Daylight Saving Time

Daylight Saving Time in Maine will start at 2 a.m. on Sunday, March 12. Don't forget to set your clocks ahead one hour.

From The Adjutants Desk

We have just purchased a small wall mounted display cabinet with glass door. We are starting another project to recover some of our history that has been lost. We want to display each of the PAST STATE COMMANDERS hat pins that were handed out during their term. So I would first ask the Past Commanders to send one of your pins to HQ. If you do not have any, please advise so I may ask other Legionnaires. We are in hopes to accomplish this project in time for our 100th Anniversary.

This office has been receiving many calls from Veterans family's asking for The American Legion Honor Guard to be present at a Veterans funeral. I would like to know how many Posts have some type of Honor Guard so we can help some of these families. Please send HQ your Post # and contact person so we may have some information on hand. Thank you for your support!!!

Farm-To-Table Community Meals

It is safe to say that many of the greatest things that happen in our communities have the fingerprints of veterans all over them. This is nothing to be shy about. Actually, as veterans, we have been making our communities a better place for everyone since the beginning of our military history.

January 2017 saw the very first Farm-to-Table meal open to the public in downtown Bangor, Maine. The most special part of this Farm-to-Table meal was that all the farm food has grown on farms across Maine owned and operated by our very own veterans. There will be 2 additional meals in February and March (check website information). By April 1st, we plan to have a Farm-to-Table meal served every Saturday with food from our veterans' farms and served by our veterans to the public each week!

One thing is for sure, tell a bunch of veterans it can't be done and we will find a way to show everyone how it can be done. At the first meal, with over 120 people present, there were about 35 veterans who partook in the "New England boiled dinner." When asked for all of the direct family members of a veteran present, over 90% of the people in the dining room stood up! This is very telling of the veteran population we are blessed with in Maine.

In order for our new veteran-owned farms across Maine to grow, become successful agribusinesses, and hire other veterans we will need the support of every American Legion and veteran in Maine. Veterans across Maine will need to step up and lead by example in supporting veteran-owned farms. A great example in doing this is by purchasing healthy food from our farms, and whenever possible veteran dinners and fundraisers.

Coming to Maine this year is a new e-commerce site called "Cornerstone Marketplace" that will allow everyone in Maine to shop, order, and purchase farm-fresh food and have it delivered from our veteran farms to your doorstep. This will answer the question many of you have been asking when it comes to where you can find our products. More information will be posted at www.ufvme.org

A new chapter has been added to the long tradition of veterans shaping and building communities in Maine, one about rebuilding our communities around eating healthy farm-fresh food. So mark your calendar this spring, summer, and/or fall and come out to Bangor to experience a real movement being led by our Maine veterans!

Jerry Ireland, Executive Director United Farmer Veterans of Maine, 45 Columbia St, Bangor, Maine 04401

From The Service Office

It's hard to believe that another year has gone by. Service Officers, talk with your Commander, it's time to submit your nominations for the prestigious 2017 Post Service Officer of the Year Award. The suspense to the Department Service Office is 1 May 2017. You can email them to amedeo.lauria@va.gov or mail them to: American Legion, P.O. Box 3411, Augusta, ME 04330. Nominations received via email or postmarked after May 1st will not be considered.

The nomination format is at the end of this newsletter. The nomination should be typewritten and double spaced in PDF format; if emailed.

All,

In case you haven't seen it. Lower co-payment and Medication Annual Cap! Good News: VA Lowers Most Medication Copayments

Priority Group	Outpatient Medication Tier	Copayment amount		
		1–30 day supply	31–60 day supply	61–90 day supply
2–8	Tier 1 (Preferred Generics)	\$5	\$10	\$15
	Tier 2 (Non-Preferred Generics and some OTCs)	\$8	\$16	\$24
	Tier 3 (Brand Name)	\$11	\$22	\$33
	\$700 Medication Copayment Cap			

There's good news for many Veterans receiving prescriptions from VA. On February 27, 2017, the regulations for copayments changed. The cost to most Veterans for medications required on an outpatient basis to treat non-service connected conditions are less

Most Veterans can see a \$1 to \$4 savings per prescription filled. Some Veterans may see a small (\$2 to \$3) increase for brand name (called "Tier 3") outpatient medications. Additionally, Veterans in priority groups 2 - 6 can see a decrease in their annual copayment cap of \$960 go down to \$700 a year while Veterans in priority groups 7 and 8, who currently don't have an annual cap, can see a \$700 cap per year as well.

Copayments Based On Tiers

Veterans who are currently exempt from copayments will continue to be exempt. Veterans with a large number of outpatient medication copayments can save even more.

VA does not charge Veterans a premium, similar to what health insurance companies expect, so their only out-of-pocket costs is the copayments.

VA's goal is to reduce out-of-pocket costs and simplify getting prescriptions to Veterans. This also benefits Veterans in rural communities, where VA medical centers and local pharmacies may not be close to the Veterans home.
