DEPARTMENT TRAINING

We have set a date for the new Department Leadership Training at Dept. HQ for the 20th & 21st of May. It is a two day course which will be taught by two of our latest Legion College Graduates. You will be exposed to the latest information that The American Legion has to offer. The Instructors are what many of you have been asking for. They have the current skills and are knowledgeable about new trends in membership, new technology that can be used, and most of all they are very passionate about making a difference in our organization. The class will be limited to 36 applicants.

Because of the many phone calls and conversations at District meetings and my great memory, I believe I have misplaced some names for the upcoming classes on May 21st & 22nd. So with that said this is the current list that I have so far: Rod Collins, William Petrie, Joy Bordeau, Richard Crosman, Bill Cossette, Phil Lindley, Randy Canwell, Joseph Michaud, Willis Stuart, Curtis Merrill, William O'Neil, Maureen Malley, Don Mulcahey and Richard Bell. If I have omitted your name, please contact this office as soon as possible at 873-3229, my cell 754-6044 or email me at: paul@mainelegion.org

Due to Colby College graduation, there are no available hotels in Waterville. There are several good hotels in the Augusta area which is about twenty minutes from Waterville.

You will receive a Department of Maine certificate as well as a State Hat pin acknowledging your completion of the Leadership Course #1. There will be other modules to follow with different sections which will lead you up to Leadership-#2 and continuing to other modules. If you are interested in a learning process that will make a difference in The American Legion, please send an email to paul@mainelegion.org with your full name, phone number, and current position whether at the Department, District or Post level. Any questions, you may call 873-3229. There will be more information to follow!

VA Caregiver Support

The [REACH VA Program](#) is an opportunity for Caregivers of Veterans to learn ways to take better care of themselves and their loved ones. REACH provides important information and resources about caregiving and builds skills in stress management, mood management, and problem-solving.

To be eligible for the [REACH VA](#) Program the Caregiver must be caring for a Veteran or be a Veteran caring for a loved one. The Veteran must be receiving services at the VA. [REACH VA](#) is available for Caregivers of Veterans diagnosed with: ALS, Dementia, MS, PTSD, or Spinal Cord Injury/Disorder.

Learn more about the [REACH VA](#) Program.

CAREGIVER SUPP

With VA's Caregiver Support Line assistance is just a quick phone call away. Whether you're in need of immediate assistance or have questions about what services you may be eligible for, the caring licensed professionals who answer the support line can:

- Tell you about the assistance available from VA.
- Help you access services.
- Connect you with the Caregiver Support Coordinator at a VA Medical Center near you.
- Just listen, if that's what you need right now.

Keep updated & let us know how we're doing.

If you're just getting started with VA, calling the Caregiver Support Line is a great first step to take to learn more about the support that's available to you.

VETERANS CHOICE PROGRAM (VCP) PHONE LINE IMPOSTER

FACT SHEET
APRIL 27, 2017

VCP Phone Line Imposter

It has come to VA's attention that a phone line has been set up by an unknown party to potentially "mimic" the VCP phone line. This imposter phone line may be intended to reach Veterans who inadvertently dial the VCP number incorrectly.

We want you to know that we are taking this seriously and to keep you aware of the steps we are taking.. VHA Office of Community Care (VHA CC) has reported the "mimic" line to the VA Office of Inspector General for a possible civil or criminal investigation.

"Mimic" Phone Line

The phone line established to "mimic" the VCP phone line is 1-800-606-8198. You know you have reached the wrong VCP phone line when:

- The phone line offers callers a \$100 rebate *if* the caller provides a credit card.
- The phone line does *not* state the caller has reached U.S. Department of Veterans Affairs or the VCP phone line.

Be aware that this phone number incorrectly confirms callers had reach the VCP *if the caller asks that question.*

VCP Phone Line

The correct VCP phone line is 1-866-606-8198. This line is for Veterans to check their eligibility for the VCP and ask questions about the program.

If you are unsure if you have reached the correct phone line, hang up and dial 1-866-606-8198 again. The phone line will state the called **has** reach the U.S. Department of Veterans Affairs.

National Poppy Day

Dear Post Officer,

Last fall, a resolution was passed in support of declaring the Friday before Memorial Day as National Poppy Day™. The American Legion has worked with the American Legion Auxiliary in support of the Poppy Program for many years. With the creation of National Poppy Day, this support can grow. In an effort to bring greater attention to the symbolism of the poppy, and the support of veterans, active-duty military and their families, we are working on a national effort to increase awareness and encourage community participation on May 26, 2017 – National Poppy Day.

We have created a National Poppy Day toolkit to assist the entire American Legion family with media outreach and community engagement. We encourage everyone to use the National Poppy Day toolkit so that we are all communicating with a consistent voice and brand.

The National Poppy Day toolkit includes ideas for media engagement along with samples of a press release, media alert and social media postings. It also contains National Poppy Day logos and a list of talking points to ensure messaging around National Poppy Day is one, clear, unified voice across The American Legion family.

[NEW MERCHANDISE](#) is available on the newly created Emblem Sales Poppy Shop. This merchandise is in addition to the poppies that can be ordered for distribution and donation collection to support veterans, active-duty military and their families in a time of need.

The entire [National Poppy Day toolkit](#) can be found on the newly created National Poppy Day website. Continue to check [Legion.org/PoppyDay](#) as we post additional information in the coming weeks. Your participation is critical to ensure National Poppy Day is a success and so that citizens across the country are provided the opportunity to display or wear a poppy to remember the fallen and support the living heroes.

Charles E. Schmidt
National Commander

I would like to thank all Legionnaires, Auxiliary members, Sons members for all of the get well cards, emails, and facebook entries pertaining to my recent surgery and hospitalization. The surgery was a success. It is so very good to know that there are individuals in our great organizations who care enough to take the time to pray and wish another well.

Again, thank you so very, very much. You helped greatly.
